2009..... Celal Bayar University, Ahmetli Professional School, Manisa, University Lecturer .

**FOREIGN LANGUAGE KNOWLEDGE**

German, Advanced level  
English, Intermediate level

**RESEARCH INTERESTS**

My principal research interests lie in the field of Caucasian energy politics and impacts upon Turkish economy. I am currently investigating natural gas pipeline network from Azerbaijan over Turkey to European countries and the impact of government policy and demography on conservation.

My future research plans are to develop models and tools in conjunction with government bodies, environmental agencies and city financial modellers.
